USCCA CERTIFIED INSTRUCTOR TRAINING

USCCA Certified Instructors are individuals who have attended a USCCA Instructor Certification Workshop administered by a USCCA Training Counselor. Certified Instructors are authorized to advertise their classes as USCCA courses; they are authorized to sign certificates bearing the USCCA name and logo; and their certificates will be honored in all states where the USCCA is recognized by that state's controlling authority. The USCCA Certified Concealed Carry Course is one of the finest Concealed Carry Courses that fits into a one day format. With up to 8 hours of classroom instruction, and a flexible course of fire, the USCCA Certified Concealed Carry Course is an excellent product to offer your students who want to obtain a Concealed Carry Permit, and gives you the ability to meet the time requirements necessarily to satisfy your states issuing agency.

In order to attend an Instructor Certification Workshop, There are 2 prerequisites. First, Instructor Candidates must purchase an Instructor Toolkit from the USCCA. The Instructor Toolkit includes: 10 copies of *Concealed Carry and Home Defense Fundamentals* by USCCA Chief Instructor Michael Martin; his complete 235-slide seven lesson PowerPoint presentation; imbedded with professional quality classroom videos that enhance the subject being discussed; and one classroom poster printed in high resolution color, using the same incredible graphics from the book and PowerPoint. To add even more value to the kit, included are 10 issues of *Concealed Carry Magazine*, a USCCA branded golf shirt, a USCCA branded hat, and 50 postage-paid Concealed Carry Magazine subscription postcards for you to gain extra revenue! The second prerequisite is that Instructor Candidates must complete the *Concealed Carry and Home Defense Fundamentals Online Course*. This course runs approximately 6 Hours and must be completed prior to attending the Instructor Certification Workshop.

Once an Instructor Candidate sign up for the Instructor Certification Workshop, They will be directed to the correct links to purchase the Instructor Toolkit and Online Training Component. If the instructor candidate has already purchased one or both of the required prerequisites, they can attend the Workshop after verification of purchase from the USCCA has been made.

The Instructor Training Workshop covers the USCCA Code of Conduct, Instructor Mistakes and How To Avoid Them, Teaching Best Practices, Managing a Safe Live Fire Range, Teaching the USCCA Power Point Presentation, Planning a Class, Virtual Range Exercise, Live Fire Exercise, Shooting Qualification, Evaluations, Written Test and Review.

Upon successful completion of the Instructor Training Workshop, Certified Instructors will receive a Certificate and Instructor Card. Instructors training with the Trigger Pressers Union will also receive a Trigger Pressers Union T-Shirt and a set of 9mm and a set of 45ACP Dummy Rounds.

The Cost for the Instructor Certification Workshop is $347. This is a fixed price set by the USCCA and is paid directly to the Training Counselor. The Instructor Toolkit ($103) and Online Component ($147) are purchased from the USCCA. The total investment for USCCA Instructor Certification is $597.
